

Precious Metals Inventory

GoldPayroll — printable inventory & valuation sheet. Spot price (USD/oz): Gold \$ _____ Silver \$ _____ As of: _____

[illegible]

Fine oz per unit = troy ounces of pure metal in ONE unit (1 = 1 oz coin, 10 = 10 oz bar, 0.0322 = 1 gram, 32.1507 = 1 kg). Est. value = total fine oz × spot. For personal record-keeping / insurance documentation only — not a formal appraisal.

Want this automatic? The free live vault fills in live spot prices, generates a professional PDF report and a fold-and-file summary card, and awards collectible rank seals — **vault.goldpayroll.com** (no-signup demo at goldpayroll.com).
